

8th June 2014

A few thoughts from the Pastor:

As people of God who live our faith in Jesus Christ through the life of the Church, we celebrate the birthday of the Church with thankful praise. Loving a person in the flesh is not an easy task yet Jesus came as one like us and lived like us to redeem the world. The Roman Catholic Church is described as the mystical Body of Christ.

Jesus Christ from whom the Church draws her life is both human and divine. Christ lived His earthly mission that led to the cross, resurrection, exhaltation and the sending of the Holy Spirit. The commissioning of the Holy Spirit upon Mary and the Apostles begins the life of the Church. This fulfilling mission to complete Christ's work on earth is our responsibility as members of the Body of Christ.

Today we are called to love Christ by loving His Church and embracing the divine-human life that the Church constantly offers to each of us.

Birthright Brampton

has been in operation for over 17 years and is fully staffed by volunteers; Volunteers who give generously of their time and energy so that others will feel God's Love. Our volunteers are trained to journey with girls and women by offering them unconditional love and support. As well, they make the clients aware of, not only the help available through Birthright, but also of the many community resources who can assist them during this unplanned pregnancy. It is this awareness and unconditional love that will help many of them **CHOOSE LIFE** for their unborn child.
