

9th February 2014

A few thoughts from the Pastor:

Living the light of Christ as described in today's gospel is to live by the light of Christ's beatitudes. The practical charity of the first reading shows us how to live this light for others.

Today is Marriage Sunday in which we honour the light of Christ that shines forth from couples as they live the vows of Holy Matrimony. Married life embodies both practical charity and mystical communion as a couple live the love of Christ with faithful dedication. The gift of mutual self-giving in marriage brings the light of Christ to homes, families, communities and the world.

CONFIRMATION

Confirmation increases and deepens all of the graces granted at Baptism. We are more perfectly bound to the Church and are enriched with the gifts of the Holy Spirit (Wisdom, Understanding, Counsel, Knowledge, Fortitude, Piety, and Fear of the Lord).

The essential element is the anointing of the confirmandi (the person being confirmed) with chrism (an aromatic oil that has been consecrated by a bishop), accompanied by the words "Be sealed with the Gift of the Holy Spirit". With this special strength of the Holy Spirit we are able to spread and defend the faith by word and action as true witnesses of Christ and His Cross.
