A few thoughts from the Pastor:

The symbol of giving flowers on Mother's Day reaches back to a wonderful tradition of our Church to present Mother Mary with the flowers of May as we celebrate the month of May in her honour.

We live as God's people, rooted in nature and the familial bonds we share as God's creatures. Jesus brings the wonder of creation into His redemption. All creation is mysteriously redeemed in Christ. Mary brought Jesus into the world as His mother. In our prayers for Mary's intercession, we pray that Mary who is "full of grace" will bring her son's redemption to us creatures through her intercession to her son. These spiritual "roses" of the rosary are a way of showing our devotion to Mary. By honouring her we honour her son. This powerful "family" prayer called The Rosary draws our families into God's heavenly family: God the Father, God the Son and Mary Mother of God and Queen of Heaven.

Men who have responded to God's call to dedicate their lives to His service come from all walks of life. Those who enter the priesthood come from different ages and backgrounds, economic situations, skill sets, and ethnic communities. At ShareLife-funded agencies such as Serra House, Redemptoris Mater, and St. Augustine's Seminary, they undergo extensive theological education and practical field training. Through ShareLife, you are helping sustain the vocations for priesthood and inspire discernment for God's call. Last year ShareLife helped support over 70 priests and seminarians in their formation studies.
