A few thoughts from the Pastor:

The Gospel of John's story of "the raising of Lazarus" draws us even more deeply into the Passion of Christ. His Passion is to bring life for the world by conquering death and sin.

Clustered around this story are all the elements of existence: mortality, grief, guilt, faith, freedom, pain, separation, love. When we face the cross we face all these elements. When we trust Jesus' cross redeems the world, we enter into the transforming love that led Jesus to endure the cross to bring eternal life to the world. Martha and Mary overcame their grief to declare their faith in Christ. Likewise, we must overcome anything that comes between us and the love of Christ shown by the cross.

Working wonders for children with special needs...

We have always tried to expose our deaf children to both communities. As their parents, we have talked to them and tried to answer their questions when they saw someone using sign language and they had basic sign language books. Then one day our oldest son, Ethan, said he would like to learn sign language. We discovered Silent Voice's Sign Language Summer Camp and enrolled him in the program. The following year Gavin joined his older brother and they both want to go again. We also put our name in for the Family Communication program because we wanted to support our children. These opportunities increased the boys' awareness of the deaf community and also helped them gain respect for different ways of communication. They enjoyed both experiences as did we. We all hope to take part in the Family program again. Last year more than 600 deaf children received support through Silent Voice's Sign Language Summer Camps.
