

13th April 2014

A few thoughts from the Pastor:

The Passion of Christ that begins with His triumphal entry into Jerusalem draws us together in worship to praise the gift of Christ's work for the salvation of the world and for each of us to personally follow Christ by surrendering to His way of the cross.

It is by Christ's coming as a man and dying on the cross that we know that God came to us in the flesh. It is through the cross that we come to discover the life that Christ brings to the world; the power of God's love reflected in the Paschal Mystery. Our triumphal procession begins today. We are called to surrender as faithful witnesses to this great gift of God's love that was passionately worked by Jesus, our Saviour.

Front Parking on Good Friday

We have a concern about parking for the Good Friday liturgies at noon and at 3pm. It is very important that the driveways in front of the Church and in front of the school are available for Emergency Vehicles in the event of health related Emergency. PLEASE DO NOT PARK in the designated Fire Routes in front of the Church and in front of the School. Brampton's By-Law Enforcement Officers will ticket cars in violation of Fire Route driveways and street corners. Our Knights will assist our parishioners with parking directions; please co-operate when parking your car. In the event of an overflow you may park in the adjacent Plaza parking area. It is very important to have the fire routes available for access for an ambulance or fire truck in the event of a health related emergency!
