A few thoughts from the Pastor:

The Paschal Joy draws us all into praise and thanksgiving for the wonderful gift of Christ's presence that redeems the whole of creation. Prayer has been described as "Practising the Presence of God". If we want to enjoy the sustained Gift of Christ's Love for the world as the Crucified and Risen Lord, we need to enter into contemplating personal prayer. To find our true spiritual centre, we need to pray by means of "centering prayer" that brings us the Peace of Christ: the Living Son of God. True balance and harmony in our life relationships unfolds from this one centred spiritual relationship in Christ.

Working wonders in our community...

"My worst day clean is better than my best day using," exclaims Suzanne, as she shares the details of her past use of drugs and other substance abuse." I was on medication constantly to deal with the side effects and was a chronic pain patient for 35 years. I was sick and tired of being sick and tired. With the support of Catholic Family Services, I was able to finally kick the habit." The Closed Trauma and Sister mentoring program were crucial to helping Suzanne get her life back on track. The positive influence of CFS program supervisor, Valerie Anderson and encouragement from other professional staff gave Suzanne the courage to try again. She sheds 'tears of joy' as she now speaks on behalf of CFS, sharing the detailed differences Catholic Family Services has made in her life.

Over 79,000 individuals received help in getting their lives back on track through ShareLife-supported family services program.

The Youth Groups would like to thank all those who supported our Cupcake fundraiser last weekend. We made over \$1000 in profits and the remaining cupcakes (about 100) were donated to the Knights Table on Sunday afternoon.
