

28 December 2014

A few thoughts from the Pastor:

Abraham is our father in faith. He shows us that to live faith is to live the promises of God. His openness to step out into the unknown and discover God's surprises brings him into a life of holiness and righteousness.

Our families date back to the time of Abraham. We too are living our promises that are fulfilled by God. To look upon Christ as Simeon brings us into "the light of revelation" and that we can be "dismissed in peace" to live our fulfillment in Christ. It is in the hidden joys of family life that we intimately know that God blesses our families and fulfills our lives in Christ.
