

# 4 January 2015

## A few thoughts from the Pastor:

*The story of the magi is a story of a quest for enlightenment that leads to the gift of the revelation of Christ's saving presence.*

*The quest and the gift form the magi as disciples of Christ. They no longer follow the light of the star but the radiant face of the divine Christ Child.*

*We are like the magi; we see with the radiant light of faith, the presence of Christ. It is this light of His way, truth and life that draws us together in the light of revelation: the Epiphany of our Saviour.*

Extraordinary lives start with a great Catholic education!
