

29th December 2013

A few thoughts from the Pastor:

"Jesus, Mary and Joseph I love you; save souls, save the consecrated!" is an ejaculatory prayer that brings out true devotion to the Holy Family. The feast day is an opportunity for us to consecrate our families to the Holy Family.

As Jesus grew in strength and wisdom and beauty so also our families grow in strength and beauty and wisdom before God. Pope Francis talks about the Holy Family and Jesus' hidden life with Mary and Joseph. It was a time of grace but also a time of tension as Mary and Joseph learned of Jesus' divinity just as Jesus grew and learned His humanity from them.

To consecrate our lives to the Holy Family requires us to live that same tension so as to grow in grace to the fullness of our humanity.

UNPACKING THE CREED...

"...who with the Father and the Son is adored and glorified."

They are consubstantial (of the same substance). When you adore the Father who sent the Son, you adore the Son who was sent. When you adore the Son who was sent you adore the spirit, who proceeds from the Father and the Son. After Jesus ascended into heaven, and the Holy Spirit descended on the disciples. It was a visible sign of God's anointing. The Spirit worked through Jesus just he does in us today. There is a progression and a unified expression of God's work of salvation.
