A few thoughts from the Pastor:

The abiding presence of Christ in our lives brings us joy. It is the gift of knowing Christ and belonging to Christ through His Church. The powerful image of the vine and the branches is a description of our life of faith sustained by Christ. The fruitfulness of our life in the Church is governed by our faithfulness, flowing through our communal life in Christ.

The dread is that we may be cut off from this abiding union. Our constant, assiduous, loving attention in prayer and charity sustains us in this life giving and sharing communion.

Toronto Ordinations Prayer Vigil – St. Michael's Cathedral, Friday May 8 from 7pm to midnight. We pray together as a community of faith for Rev. Mr. Ricardo Davis and Rev. Mr. David Twaddle who are to be ordained to the Holy Priesthood at 10am on Saturday May 9, 2015 at St. Michael's Cathedral.

Working wonders in the whole community...

“Now in its 39th year of helping the whole community, the number of agencies funded by ShareLife’s annual appeal has increased significantly, reflecting the growing local social needs. The reality is there are more people relying on ShareLife today than ever before! I firmly believe we can continue to offer them a helping hand if we all participate.

Your donation, regardless of the amount, will bring us closer to our goal. Thank you for the contribution you make in gift and deed to our Church and to the community at large. My prayer is that the Lord will help us all to share our time, talents and treasure with a generous spirit.”

—Thomas Cardinal Collins, Archbishop of Toronto

Today is the Third ShareLife Sunday.

ShareLife

Here, at St. Anthony's parish, we do celebrate
ShareLife with a whole lot of vigour and zest
We are hoping, for example, to demonstrate
That we've got the biggest hearts in the west

As Christians we have to be generous and kind
To everyone regardless of race, colour or creed
We have an obligation and must keep in mind
That out there are myriads of people in need

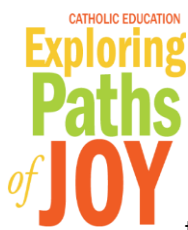

No longer can our heads be buried in the sand
We have got to show others how much we care
Let's all reach out together with a helping hand
That's one of the ways in which we can all share

It's an exhilarating experience of feeling to "give"
'Tis something that comes direct from the heart
They say it's so much better to give than receive
Now the onus is definitely on us to do our part

We accept cheques and cash of any denomination
We are grateful for anything that you can afford
Thank you in advance for your kind contribution
Copious blessings from above will be your reward

So to our Heavenly Father let us all give praise
With love, prayer, laughter and full sense of pride
As with hymns and songs our voices we raise
To the millions of people who "share life" worldwide
