**Living the Gospel by helping young mothers.** . . . Kristen was 17 when she found out she was pregnant. Worried she wouldn't be able to graduate from high school, she reached out to Rose of Sharon. At this ShareLife-funded agency she was able to focus on school work with the help of child minding by the agency. Kristen graduated and was accepted into the medical administration program at Seneca College. "Without Rose of Sharon," says Kristen, "there's no way I would have believed college was a possibility."
