Discovery at Kamloops Residential School

"If one member suffers, all suffer together with it." (1Cor 12:26)

Excerpts from Cardinal Thomas Collins, Archbishop of Toronto. . .

"I think we as Christians need to be particularly regretful and sorry that we took part in that particular system," Cardinal Collins said. "It was a governmental program that essentially took little children away from their families.

"I don't know what the religious groups or the Catholic groups were thinking. They probably wanted to advance their mission. But to participate in anything that took kids away from their families? All we stand for are families. I'm just so sorry that it happened."

. . . "for the children who died in Kamloops and in residential schools throughout the country — they must not be forgotten." --St. Kateri Tekakwitha, pray for us

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul.
