#### Update Covid-19 - Restrictions on March 1, 2022

All capacity limits, including physical distancing requirements, are removed from churches and parish halls.

- Indoor mask use is still required for those over the age of two (limited medical exemptions apply)
- Holy Communion on the tongue can resume, but those receiving Holy Communion on the tongue should ideally be at the end of the Communion line
- The kiss of peace is still discouraged at this time. A bow or wave should continue to be used as an alternative
- Holy water fonts can be refilled. Prayer books, hymnals, magazines, bulletins and votive candles can return to the church, if they have not already
- Altar servers and Extraordinary Ministers of Holy Communion can return to pre-pandemic duties
- Reporting of rapid test results for unvaccinated clergy, staff and volunteers is suspended. Proof of vaccination is not a requirement to enter Archdiocese of Toronto churches
- Baptisms can return to pre-pandemic practices
- Confessionals and confession rooms can reopen, provided that both parties are masked
- The use of hand sanitizer upon entry to the church and before the distribution of Holy Communion remains a best practice and is encouraged. It is still recommended that health and hygiene signage remain posted in parishes at this time
- Meetings in parish halls may resume for those who may wish to do so – mask use is required
- Contact tracing and online Mass registration systems are no longer required.
- Parishioners should be encouraged to continue self-screening for Covid-19 symptoms and stay home if they have any symptoms.
- Parishes are encouraged to make an announcement at the beginning of Mass over the first several weeks of March 2022 noting the lifting of restrictions and reminders regarding updated procedures that may have changed

Thank you for your ongoing patience and co-operation over the past two years in adapting to the Covid-19 reality and the many associated restrictions. ☺
